Registration

POST /register

| | | |
|-----------------------|---------------------------------|---|
| name | string | * |
| email | string | * |
| password | string | * |
| password_confirmation | string | * |
| role | string [“customer”, “producer”] | * |

```
{
  "name": "Deven Hirthe ",
  "email": "morissette.clint@tremblay.com",
  "password": "secret",
  "password_confirmation": "secret",
  "role": "customer",
}

{
  "data": {
    "api_token": "0syHnl0Y9jOIfszq11EC2CBQwCfO...",
    "created_at": "2017-06-20 21:17:15",
    "email": "john.doe@toptal.com",
    "id": 51,
    "name": "John",
    "updated_at": "2017-06-20 21:17:15"
  }
}
```

Login

POST /login

| | |
|----------|--------|
| email | string |
| password | string |

```
$ curl -X POST localhost:8000/api/login \
  -H "Accept: application/json" \
  -H "Content-type: application/json" \
  -d '{"email": "admin@test.com", "password": "toptal"}'
```

```
"data": {
  "id": 1,
  "name": "Administrator",
  "email": "admin@test.com",
  "created_at": "2017-04-25 01:05:34",
  "updated_at": "2017-04-25 02:50:40",
  "api_token": "Jl7q0BSijLOrzaOSm5Dr5..."
}
```

Logout

POST /logout

Auth required

```
{
  "code": 200,
  "message": "Success"
}
```

Fetching all users

GET /users/all

Auth required

```
[
  {
    "id": 7,
    "type": "mentor",
    "name": "Lidija",
    "email": "lidijaa@yahoo.com",
    "api_token": null,
    "remember_token": null,
    "created_at": "20170822 15:23:48",
    "updated_at": "20170822 10:51:32"
  },
  {
    "id": 9,
    "type": "student",
    "name": "Petar",
    "email": "petmil@gmail.com",
    "api_token": null,
    "remember_token": null,
    "created_at": "20170822 15:26:22",
    "updated_at": "20170822 15:27:56"
  }
]
```

Fetching user profile

GET /users/{id}

Auth required

```
{
  "id": 9,
  "type": "student",
  "name": "Petar",
  "email": "petmil@gmail.com",
  "api_token": null,
  "remember_token": null,
  "created_at": "20170822 15:26:22",
  "updated_at": "20170822 15:27:56"
}
```

Updating user profile

PUT /account

Auth required

| | | |
|-------|--------|---|
| name | string | * |
| email | string | * |

```
{
  "id": 1,
  "role": "student",
  "name": "Marija",
  "email": "maja69@gmail.com",
  "deleted_at": null,
  "created_at": "20170822 16:28:25",
  "updated_at": "20170822 21:10:02"
}
```

Account deletion

DELETE /account

Auth required

```
{
  "code": 200,
  "message": "Success"
}
```

Ad creation

POST /ads

Auth required

Producer only

| | |
|-----------|----------------|
| text | string |
| expire_on | DateTime |
| type | [type1][type1] |

```
{
  "text": "Ad text",
  "expire_on": "20170922 12:18:53",
  "type": "type1",
  "views": 0,
  "updated_at": "20170822 12:18:53",
  "created_at": "20170822 12:18:53",
  "id": 26
}
```

Ad update

PUT /ads/{id}

Auth required

Producer only

| | |
|-----------|----------------|
| text | string |
| expire_on | DateTime |
| type | [type1][type1] |

```
{
  "id": 1,
  "text": "Ad name",
  "views": 0,
  "type": "type1",
  "views": 0,
  "created_at": "20170822 16:32:50",
  "updated_at": "20170822 16:32:50"
}
```

Ad rating

POST /ads/{id}/rate

Auth required

Customer only

| | |
|--------|----------------|
| rating | integer [1..5] |
|--------|----------------|

```
{
  "rating": 4,
  "updated_at": "20170822 20:54:43",
  "created_at": "20170822 20:54:43",
  "id": 3
}
```

Fetching an ad

GET /ads/{id}

Auth required

```
{  "text": "Ad text",
  "expire_on": "20170922 12:18:53",
  "type": "type1",
  "views": 0,
  "updated_at": "20170822 12:18:53",
  "created_at": "20170822 12:18:53",
  "id": 26
}
```

Getting all ads

GET /ads/all

Auth required

```
[
  {
    "text": "Ad text",
    "expire_on": "20170922 12:18:53",
    "type": "type1",
    "updated_at": "20170822 12:18:53",
    "created_at": "20170822 12:18:53",
    "id": 26
  },
  {
    "text": "Ad text",
    "expire_on": "20170922 12:18:53",
    "type": "type1",
    "updated_at": "20170822 12:18:53",
    "created_at": "20170822 12:18:53",
    "id": 26
  }
],
[
  {
    "text": "Ad text",
    "expire_on": "20170922 12:18:53",
    "type": "type1",
    "views": 0,
    "updated_at": "20170822 12:18:53",
